

Students Feedback Analysis: Overall Valuation **Course and Facilities: Questionnaire 4**

The college collected the feedback forms from the students of all three streams B. A., B. Sc. and B.Com. There are 12 questions in the feedback form. For the questions asked in the feedback from three options are given to them for their answer.

Following are the outcomes from the feedback forms:

1. Most of the students are satisfied the course (syllabus).
2. The course is competent to competitive examination and employment base.
3. The teaching learning process in right path.
4. The facilities are sufficient for student personality development.
5. The college lab, library, and sports etc. facilities are sufficient.
6. The students are satisfied with the service of laboratory assistant/attendant and library attendant.
7. The students are satisfied with other facilities like admission, scholarship etc.
8. As per students feedback analysis the college is competent *to its vision, mission & goal.*

Following is the percentage wise analysis of the options of the question asked to the students for the respective courses as B. A., B.Sc., and B.Com.
