If yes, give a brief descripiton and a list of modules currently operational (maximum 500 words)	**REPORT ON LMS (A.Y. 201920) The present scenario is that because of very huge development in technology, an extensive use of digital materials and changing needs of modern learners a traditional classroombased approach needs improvement. To remedy this situation, the colleges adopt Leaning Management Systems allowing teachers to realize various pedagogical models, deliver personalized learning, engage and connect students. Benefits of LMS are as different groups of students study independently, without interfering one another, a personalized approach to each student, increases engagement and students' collaboration. Unlimited tracking data and integrates social learning experiences beneficial for learners. This saves the time and energy of the students as well of the teachers. There are many LMS available in the market. But we have chosen Google Classroom as a Learning Management System in our institute, which fulfills the most requirements under the LMS. It is safe and secure and free of cost. Furthermore it is very useful for all official activities i.e. notice, orders, letters etc. sent online within a click. Teachers had Post Video Lectures from open resources (NPTEL/SWAYAMPRABHA /epgpathshala /IIT/IISC etc.). Teachers have sent Links to the PDF as Lecture Notes, Teachers have uploaded lectures captured. In order to made whole**

institute ICT enabled To undergo the smooth working of Google Classroom faculty regularly use LMS for implementation , creation of Classroom, Registration of students , ways of Sending materials, uploading captured lectures , PPT lectures ,video lectures etc. Total 1807 students were involved in the network of our system. Total 32 classrooms created for three faculties for different classes and assign class coordinators to each classroom. Further Class coordinators invite as a coteachers of concerning classrooms. Finally coteachers invited to students to join their classroom. Total 78 peoples admitted to office level classroom. 850 students join to Science faculty ,500 students join to Art faculty and 457 students join to Commerce faculty. Total 1807 student registered gets benefitted within 28 classrooms In session 201920, total 685 student's related material uploaded online in terms of 350 video lectures,250 PDF material, 15 links of useful material online, and 70 PPT lectures. 1.4 – Feedback System

1.4.1 – Whether structured feedback received from all the stakeholders.

Students	Yes
Teachers	Yes
Employers	Yes
Alumni	Yes
Parents	Yes

1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution? (maximum 500 words)

Feedback Obtained

Feedback Analysis Report Feedback is the fundamental principle that underlies all self-regulating systems. The Feedback from all stakeholders in terms of its relevance and appropriateness are considered to be a key aspect for enhancing and redefining the college. Feedback is the impact to a system component that is a consequence of an action performed by that component. The college is committed to obtain timely and appropriate feedback from different stake holders to reflect on the progress and development effectively. Feedback, and acting on feedback, is therefore part of the enhancement process for the college. The feedback helps for self evaluation to make Quality as the defining element for the college. Teachers valuation from students feedback is also done. There are 8 questions in the feedback form. Collection of feedback forms has been done from students of three different courses as (B.Sc., BA and, B.Com). The college has formal and informal mechanisms to obtain feedback from stakeholders through various committees, associations, organization, etc. Suggestion boxes are placed in college prominent places in the college premise. According to the analysis following major points has been noticed. For the 8 questions asked in the feedback from four options are given to them for their answer. Following is the percentage wise analysis of the options of the question asked to the students for the respective courses as B.Sc., BA and, B.Com. 1) Students: 1. Depth of the Course content is very good 2. Extent of coverage of course is good 3. Learning value (in terms of concepts, skill etc.) is very good 4. Clarity and relevance textual reading material is very good 5. Relevance of additional source material (Library) is good 6. Students are satisfied with the course (Syllabus) 7. The courses are competent to competitive examination 8. The syllabus completed in class 2) Alumni: The college seeks feedback from its alumni. Their information, guidance and suggestions to improve the quality of education and facilities are immensely valued. The alumni feedback states that the courses offered in SGBAU Amravati are not much helpful to face real time problem in society. And also more importance is required to improve the knowledge in the latest technologies available in the current trend. But overall the college takes much effort to

provide maximum facilities to the students to meet the requirements. 3) Parents: Parent-teachers interactions are encouraged in the form of orientation program and mentor meetings. The principal and teachers of the college are available to meet the students and parents. Parent's feedback states that the courses offered are satisfactory and very helpful to the students to acquire adequate knowledge. But need additional knowledge about current trends and research oriented study has to be improved. New subjects can be introduced such way that it helps their ward to go for higher studies within India as well as in abroad. 4) Employers: The recruiters have given lot of suggestion regarding SGB Amravati university curriculum. Mainly they pointed out courses can be fine tuned to international standard. 5) Faculty: Regular

2.5.2 – Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

In the beginning of session academic calendar in consultation with head of the departmentsis prepared which takes into account academic and non-academic activities, teaching and examination schedule, sports festival, science fair, annual daycultural programs, etc. The calendarhelp students and faculty to plan their activities in advance. Teachers introduce the students about the prescribed syllabusof the subjectand teaching plan to be executed in the beginning of semester. They are well informed about unit wise distribution of marks, paper writing skills and method of evaluation suggested by theuniversity. The collegeexamination committee prepares examination schedule, collects question papers, allot supervision duties to faculties andconducts examination, collects answer sheets and prepare results. Unit testsare conducted by respective subjectdepartments. Valued answer books with necessary remarks are shown to students for queries if any. The teachers keep the record of students' progress and guide them in overcoming difficulties. The evaluation reforms introduced by SantGadge Baba Amravati University are implemented, which involve internal assessments of 20 marks in Science, Arts and Commerce facultiesfor UG and PG levels. The internal assessment is made on the basis of marks obtained in unit tests, home assignments, activities such as- participation in exhibition, group discussions, attendance, sports, extension activitiesetc. The assignments are designedto encourage the students to develop the habit of continuousstudy of the subject throughout the semester.Assignments have to be completed by the students on or before the due date/s. The date for the submission of the assignments is decided by the concern teacher. The topics given are usually from the syllabus and in the form of questions of university examinationpattern. In some of the subjectsinternalevaluation is done on overall performance student duringindustrial visits/field visits/educational tours and comprehensive report submitted thereon.Studentswho have missed classes on account of serious disabling illness, participation in Sports activities, participation in an Inter-College and Inter- University event are excluded for purposes of calculation of attendance. Each case is decided on its own merits if he submits necessary certificate. For continuous evaluation at PG level, college adopts some additional methods with prior discussion and approval from the departmentfaculty. The institutionarranges 'Vidyarthi-PalakMelawa' (Student-Guardian Gathering) everyyear to know about suggestions from the guardiansfor improvement in teaching-learning process. During the session, teaching plan and course coverageare examined by the HOD/ Principal. In case of much variation HOD/Principal counsel the concernedfaculty member. Choice based credit system in PG Physics, Chemistry, Mathematics, Sociology and Marathi is adopted by the college as per the norms of university. This helps for overall progress of the student.
