Student's feedback about Teacher evaluation

Our college initiated to carry out the process of taking feedback from different stakeholders. Their suggestions and feedback are welcomed and taken into consideration seriously by the College. Some ways through which the College solicits stakeholder perception are:

Students:

Teacher's evaluation is done by students every year.

This evaluation is done on different parameters.

The purpose of this evaluation is to take students feedback on the strong and weak areas of the teacher and to suggest changes or alteration in their teaching methodology.

Suggestion Boxes are placed in prominent places in the College premise where students can communicate their suggestions.

In response to examination results: Informed to individual course faculty in person by principal.

In response to academic improvement: Suggestions, Counselling and Support have been provided to concerned faculty for teaching-learning performance improvement. Similarly Improvement areas were identified and discussed in person.

In response to modern teaching aids: Most of the teachers have already included modern teaching aids in teaching. They have started preparing power point presentation and other innovative teaching aids to stimulate the students for better understanding. Teachers have prepared study material and send to respective Google classroom.

In response to student activity: Different subject associations conduct Workshop, Seminars, Quiz competition, poster presentation and science exhibition to stimulate an appreciation of basic science and skill in all Under- graduate and Post-Graduate students.

In response to complete the syllabus in time: The teachers are able to complete the syllabus in time. Keeping in mind the time frame-work of the syllabus, the teachers accordingly plan for the classes to complete the entire syllabus in time.

In response to internet facility, working lab equipments and cooperative staff: The computer system with internet facility is made available in every department, library, seminar hall and office. Wi-Fi system is made available in the department. The office staff, library and laboratory staffs are very cooperative towards the students.

In response to grievance redressed well on time: The College has grievance redressing committee for prompt action in any student related grievances.

08 CCTV cameras were installed in the campus for safety measures of the students.

Parents:

Parents-teachers interactions are encouraged in the forms of Parents meet/ mentor meetings.

The Principal and teachers of the College are available to meet students and parents.

The parents find the syllabi relevant and job oriented.

Mentors Meetings are arranged as per time availability

Alumni:

The College seeks feedback from its alumni. Their information, guidance and suggestions to improve the quality of education and facilities are immensely valued.

Employer: The College collects the guidance from the employers to improve the academic quality of the teacher.
